## TERMS AND CONDITIONS OF ISSUE OF REGISTRATION CERTIFICATE

**CERTIFICATES AND LOGOS :** The registered organisation may apply the EURZB Logo and registration documents only in respect of the products registered and is required to bring to the attention of customers, when reasonable and appropriate, any area of business to which the registration does not apply. The organisation shall notify EURZB of any difficulty experienced with regard to the interpretation placed upon their registration by customers. Use of the EURZB logo is allowed only following payment to EURZB and for the duration of the period covered by the registration fees or such lesser period if registration is terminated. Use of any other logo in respect of EURZB is not authorised and is outside the scope of EURZB jurisdiction. Copyright and all other intellectual property rights deriving from EURZB work or work performed and delivered and claimed by the organisation as falling within the jurisdiction of EURZB remains with EURZB, unless otherwise agreed with EURZB in writing.

**TERMINATION OF STATUS:** EURZB may withdraw registered status and the use of its logo from the organisation solely at its own discretion. Written notification shall be provided to the organization so as to provide reasonable opportunity to respond as to why withdrawal may be deemed inappropriate.

The organisation upon notification of the termination of registration shall immediately discontinue use of the EURZB logo on product and in all advertising matter which contains them or any reference thereto. In addition, any other documents in the possession of the organisation which bear reference to EURZB, if EURZB so desire it, shall be so treated as to erase it.

**FURTHER ADVICE & AUTHORITY:** Organisation is advised to take expert advice when engaging registration services. The authority vested in EURZB is that assigned to them by the organisation in respect of the registration service contracted and no claim as to statutory, legislative, authority, prominence or right given by any other party unless specified by EURZB is claimed. The organisation is advised that EURZB do not provide accreditation or conformity assessment services and are not authorised by the German Government and so encouragement, support, approval or licence of any Department of State of the Government of Germany or of the European Commission or any other statutory or government office of any nation or state should not be inferred. EURZB is an independent service provider offering registration services outside the scope of EU Regulation 765/08.

**PAYMENTS:** EURZB require its registered organisation to pay fees on or by the first day of the registration period. Failure to make payment renders the firm liable to withdrawal of entitlement to registered status. There is no refund following registration.

**REGISTRATION:** Unless stated to the contrary EURZB registration documents signify that in the opinion of EURZB, the organisation named in the certificate has demonstrated via statement and/or written policy and/or commitment and/or implementation of standards, an acknowledgement of the benefits and desirability of being registered with regard to the products and standards specified on the certificate. In issuing the attestation certificate, EURZB are confirming registration of the organisation in the EURZB list of registered firms.

The organisation is advised that full compliance with any standard referenced in the scope of certificate is not certificated as certain factors such as the sample nature of assessments and the compliance by the organisation or its products with their own procedures or applicable product standards or directives at times when EURZB, a certifying body is not present, and other matters, is beyond the control of EURZB. The organisation is advised that the opinion of any other organisation or individual with regard to compliance with any standard that may be quoted in the scope of certificate or the inference of the term "attestation" may be different to that of EURZB, but, nonetheless compliance, other than with the EURZB registration requirements, is not the subject of the certificate.
